

Creating a Foster Care Rate For an Out-of-State Placement

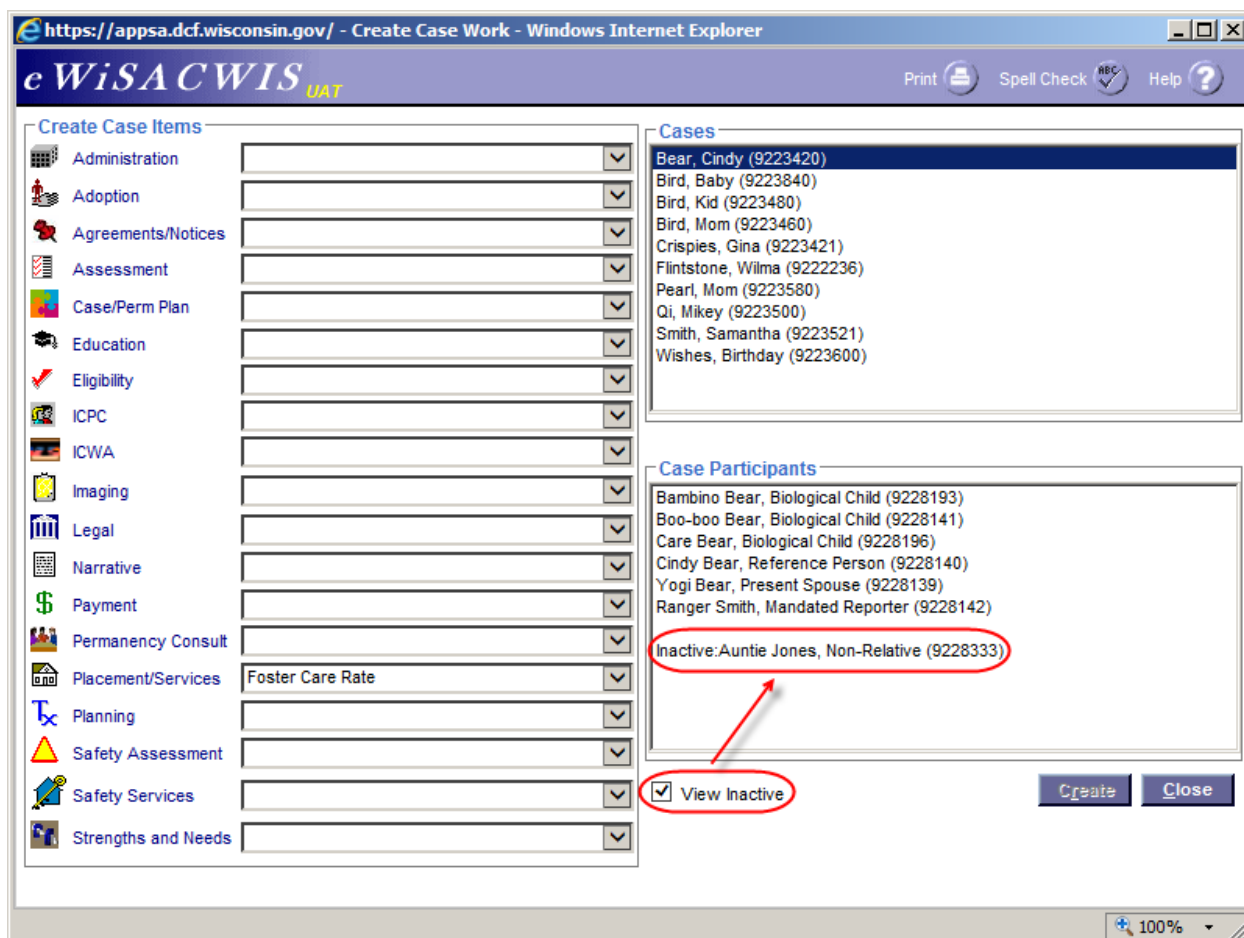

In an Out-of-State setting users are able to either pay Wisconsin's rate, using Wisconsin's Foster Care Rate setup, or they can pay the other State's rate using the Non-Wisconsin Foster Care Rate setup. In either instance, the Foster Care Rate can be backdated to the first day of the placement if the child has a CANS documented within the first 30 days of the begin date of the placement.

Note: The child for whom you create a Out-of-State Foster Care Rate should have an open Out-of-State Placement with a qualifying Foster Home Service Type (ie. Foster Home (Out-of-State)).

Note: Out-of-State placements are eligible for either a standard or a Pre-CANS Foster Care Rate.

1. From the desktop, go up to Create > Case Work or click the Case Work hot button . This will open the Create Case Work page.
2. On the Create Case Work page, select the applicable Foster Care Rate option (either Pre-CANS, or Foster Care Rate) from the Placement/Services drop-down. Select the appropriate Case and the Case Participant. Click Create. This will open the Foster Care Rate page.

Note: You are able to create a Foster Care Rate for a child who is Inactive by checking the View Inactive check box and selecting the Inactive person.

The screenshot shows the 'Create Case Work' page in the eWiSACWIS UAT application. The browser address bar shows 'https://apps.dcf.wisconsin.gov/ - Create Case Work - Windows Internet Explorer'. The page has a purple header with the application name and navigation links like 'Print', 'Spell Check', and 'Help'. On the left, there is a 'Create Case Items' sidebar with various categories like Administration, Adoption, Agreements/Notices, Assessment, Case/Perm Plan, Education, Eligibility, ICPC, ICWA, Imaging, Legal, Narrative, Payment, Permanency Consult, Placement/Services, Planning, Safety Assessment, Safety Services, and Strengths and Needs. The 'Placement/Services' dropdown is currently set to 'Foster Care Rate'. On the right, there are two main sections: 'Cases' and 'Case Participants'. The 'Cases' list includes items like 'Bear, Cindy (9223420)', 'Bird, Baby (9223840)', 'Bird, Kid (9223480)', 'Bird, Mom (9223460)', 'Crispies, Gina (9223421)', 'Flintstone, Wilma (9222236)', 'Pearl, Mom (9223580)', 'Qi, Mikey (9223500)', 'Smith, Samantha (9223521)', and 'Wishes, Birthday (9223600)'. The 'Case Participants' list includes 'Bambino Bear, Biological Child (9228193)', 'Boo-boo Bear, Biological Child (9228141)', 'Care Bear, Biological Child (9228196)', 'Cindy Bear, Reference Person (9228140)', 'Yogi Bear, Present Spouse (9228139)', 'Ranger Smith, Mandated Reporter (9228142)', and 'Inactive:Auntie Jones, Non-Relative (9228333)'. The 'Inactive:Auntie Jones, Non-Relative (9228333)' entry is circled in red, and a red arrow points to it from the 'View Inactive' checkbox, which is also checked and circled in red. At the bottom right, there are 'Create' and 'Close' buttons.

3. The Foster Care Rate page contains the Participant Information group box. The group box shows the child's name, case name, provider name, Parent Agency and rate effective and end dates.
4. The Current Basic Costs will pre-fill with the service rate associated with the placement service type and display in the Uniform Foster Care Rate group box.
5. Complete the Foster Care Rate Page as you normally would, to set the rate using Wisconsin's Foster Care Rate setup.
6. Check the Non-Wisconsin Foster Care Rate checkbox (as shown below) and enter an amount in the Monthly Rate field if you wish to set a monthly rate based on the other state's maintenance rate.
7. If applicable, enter an amount in the Administrative field. Then select either day or month in the Per field.
